SECOND-HAND OR PRE-USED PARTS

The Ford Model Y & C Register Ltd accepts no responsibility or liability (direct or indirect) as to the quality or reliability in use of second-hand or pre-used parts. Such parts in use are essential to ensure the future of our old cars, and we are happy to be able to supply them to members where we can. We recommend that all parts are fitted by someone who is competent or appropriately qualified. Since we can have no control over either the fitting or the parts when in use, the responsibility and any liability will rest solely with the purchaser or end user.

The Register is not a party to direct transactions between members, and thus gives no guarantee or warranty as to the suitability or quality of parts involved in such transactions.
