FENLAND TOUR WEDNESDAY

WED 14TH
10.00 TO 12.00

PRICKWILLOW DRAINAGE MUSEUM

Main Street, Prickwillow Ely Cambridgeshire CB7 4UN

The landscape of the Fens is unique, intriguing and curiously beautiful. And maintained by an incredible network of drainage systems and pumping stations, without which this fascinating landscape would disappear under the waves.

Prickwillow Museum, a registered educational charity, tells the story of the drainage of the Fens, the history of the local area, and those doughty individuals who ran the drainage pumps in remote locations. The museum showcases some of the region's finest examples of restored diesel engines.

Today they are opening up especially for us and the engines will be steamed up. Tea and coffee will be provided.

WED 14TH
12.30 ONWARDS
